

## Access Guide – Inverness Kart Raceway

Welcome to Inverness Kart Raceway! We've recently upgraded our facilities and entrance to make your visit smoother, more accessible, and more enjoyable than ever.

### Location

We are located at **Fairways Business Park, Sir Walter Scott Dr., Inverness IV2 6AA.**

### Getting Here & Parking

Our **new entrance** can be found to the **right-hand side of the building site**, continuing **down the side of the bowling centre**. There is **free on-site parking** available for all visitors.

### Accessibility

We are proud to offer **full wheelchair access** throughout our venue. Our new entrance are wide entrance double doors and includes a full **wheelchair-friendly ramp**, ensuring easy and comfortable access for everyone. We also have a **disabled toilet** with panic cord installed is also available on site.

### Arrival Experience

Our new entrance leads you **directly into the viewing area** of our modern, **5-star facility**, so you can immediately enjoy the action on track.

### Our Karts & Environment

We now run **fully electric karts**, offering a cleaner and more comfortable racing experience:

- **Quieter than traditional petrol karts** (though still exciting!)
- **No fumes or emissions** – clean, breathable air throughout the venue
- Powered by **over 100 solar panels** on our roof ☀️
- The change to the electric karts makes us more ALN friendly. We can offer ear plugs, ear defenders and helmets on request.

### Dual Kart Experience

We also offer a **dual kart**, designed to make racing accessible and enjoyable for more people:

- Available for **anyone aged 5 and over**
- Spacious enough to comfortably fit a **full-sized adult passenger**
- **Must be driven by one of our trained staff members** for insurance purposes
- Passengers have the option to **steer the kart themselves**, with guidance and support from the marshal

This is a great option for younger racers or those who would like a supported driving experience.

This means a better experience for both customers and staff—no more unpleasant fumes or nausea.

### **Lounge & Spectator Area**

We offer a comfortable **indoor lounge and reception area**, where:

- Customers are checked in and prepared for their race
- Families and spectators can relax and watch the action
- Visitors can enjoy a welcoming space before and after racing
